In a telephonic conversation with Examiner Coulter on September 29<sup>th</sup>, 2010, Examiner Coulter requested for Applicant to confirm rescission of suspension of prosecution for this application. On October 16, 2009, Applicant did petition for the suspension of action in this application pursuant to 37 CFR §1.103(c). After the period of suspension had elapsed, Applicant's representative received a Non-Final Office Action dated May 14, 2010, and a filed a response with a Terminal Disclaimer.

Thus, Applicant's representative confirms that the above-identified application is no longer suspended. Moreover, as the sole remaining rejections to the pending claims were fully addressed by the filing of the Terminal Disclaimer with the response, all pending claims are in immediate condition for allowance.

It is believed that no fees are due with the filing of this transmittal. However, if any fees are required, they may be charged to Deposit Account No. 18-0013, under Order No. 65632-0588. To the extent necessary, a petition for extension of time under 37 C.F.R. § 1.136 is hereby made, the fee for which should be charged against the aforementioned account.
